Rose's Market Is Burglarized, $426 Missing

Same Thieves May Have Robbed Nevada Resort

Thieves some time Sunday night entered the Rose Brothers Market in Gateway Park and walked off with $426 in cash.

Entrance to the establishment was gained by breaking open one of the two rear doors.

Dave Rose, owner of the store, said apparently the thieves sought only cash as none of the stock was molested and a score of checks, which had been cashed at the store Saturday, were still in the cash registers and change box. Most of the money taken had been left in the registers, although considerable was taken from an unlocked box under the cashiers' counter.

Constable N. F. Dolley and Deputy Sheriff Roy Waters made a preliminary examination and two deputies from the office of Sheriff Wayne Brown arrived later in the day to seek fingerprints and other possible clues.

None of the other stores along the Gateway business block were molested.

Dolley said that in his opinion the burglary was the work of no one local and he said it ties in with a similar looting of Ken's Bar at Verdi the same night.

Clerks at the quarantine station reported a strange, speeding car approached the station from the east at 1 a.m. Monday morning, the driver spotted the station, hurriedly made a U turn and sped back eastward. This car may have contained the burglars, who later visited the Verdi establishment, Dolley surmised.

BIDS SUBMITTED FOR BRANCH OF LOCAL POSTOFFICE

Two identical bids of $12 a year were submitted last week to Postmaster E. C. Bavier for operating a contract branch of the Truckee post office in the area between here and Donner Lake.

The bids, offered by I. O. Gifford of Truckee Resort and Hap Warnke of Donner Lake Lodge, were forwarded to the post office department for further consideration.

Bids for carrying the mail between here and the proposed office were submitted by Gifford, Warnke and Roy Waters. Mrs. Bavier said the fact that bids were submitted does not necessarily mean that the office will be established. Future action, it was announced, will depend upon the need for a branch.

WEEKEND SNOW IS BREAK IN IDEAL SPRING WEATHER

The familiar clank of skid chains on the pavement was heard Saturday night and Sunday when five inches of new snow fell here and slightly more than a foot on Donner.

The chain control was only on about 24 hours and the storm was followed by ideal spring weather which had predominated throughout February. There were 28 inches of hard snow on the ground at the U. S. Forest Service station here today.

The weekend storm brought .30 of an inch precipitation to bring the season's total to 20.11, slightly over normal for the year to date.

LARGE SUM IN FINES REPORTED

Judge Fosten W. Wilson of the Truckee judicial district court turned in to Nevada County, in fees and fines, $2,103.25 for the month of February. Motor vehicle fines led all the rest with $1,877-.75; criminal fines amounted to $200; small claims were $17.50 and civil costs, $8.

SUPERVISORS ON VISIT TO AREA

Accompanied by Charles Smith, recently appointed county road superintendent, members of the board of supervisors visited here yesterday to inspect roads, bridges and other county facilities. The group included Curtis Clark, Nevada City; John Frank, Grass Valley; Jay Coughlan, Columbia Hill, and Guy N. Robinson, Clear Creek.

The inspection trip was headed by Supervisor H. G. Loehr of Truckee, chairman of the board, who was host to the visitors.

SUSPECT HELD

Rafael Bautista of Woodlake was apprehended at the Truckee quarantine station yesterday on suspicion of being a "wetback" and was booked by Patrolman Carroll Maynard and held for investigation by immigration officials.

Local Speech Victors Ready for Zone Tests

Two students from the Tahoe-Truckee High School will compete later this month in the Lions Club student public speaking contest to decide the zone champion.

The two were selected this week in contests held here before the Lions Club at Donner Lake Lodge last night and at the Lake Tahoe Lions Club's meeting Tuesday evening.

John Moore of Tahoma was declared winner over Sheldon Jones of Soda Springs and Barney Gilmore of Tahoe at the local session where the judges were Howard J. Newsham, Mrs. Flora Daley of Sacramento and R. N. Little.

At Kings Beach Tuesday night, William Walker was decided a winner over his nearest rivals, Loma Sorensen and Dianne Abbott. Walker and Moore will represent the local school in zone contests.

The student speakers used the interesting subject, "Man's Search for Security," which had been selected for them.

At the meeting last night, attended by a large number of visitors, George Kaspian and W .W. Thompson were inducted as new members of the club. Angelo Besio presided at the session.

At the meeting last Wednesday, T. F. Sheehan of the highway patrol showed traffic safety pictures and spoke on the subject before the local club.

GIRL SCOUTS TO MAKE TOUR OF ART GALLERIES

Mesdames Reg Smart, Glenn Coffey, George Kaspian, Nat Quilici, Doyle McGwinn and Fred Pedley will chaperone the Girl Scouts and Brownie troops on a series of tours to include the Carson City, Virginia City, Reno and Sacramento art galleries. The visits will be sponsored as part of the art program of the Wyethia Club.

The troops will alternate Saturdays, beginning March 7, and during the program Rafael Jolly will talk before the combined group. Art scrap books, when completed by the girls and club officers, will be given to the local library.

The children are completing their first ceramics, charcoal and water color pictures.

The Wyethia Club art exhibit in Capitol Hall last Thursday was well attended, with a wide variety of work from local and outside artists receiving the appreciation of the spectators.

HOOPSTERS RACK UP DOUBLE WINS IN FAST GAMES

The Truckee town basketball team this week racked up two more victories on the local court and moved closer to their appearance in the Fallon tournament at 7:30 March 12.

Saturday night a Martinez quintet came up the mountain to a 31-41 defeat at the hands of the hill toppers Saturday night. Last night the Capucci-Weavers from Fallon fell short in their bid to get revenge for an earlier beating by Truckee when the locals came out on top 52-47.

Friday night, the home towners will host the formidable Colfax Fireballs and Saturday evening will take on the Hawthorne Marines here. The Leathernecks already hold a win over the local men. Truckee's first opponent in the Fallon tournament will be the Sparks Mercantile squad.

SPORTSMEN WILL HOLD LOCAL MEET

The Truckee Outdoor Sportsmen will hold a regular meeting of the organization in Capitol Hall on the evening of Friday, March 13, Mrs. Ray Roberts, secretary, announced this week. Johnny Ciardella will preside.

MARRIED

Mr. and Mrs. Ira Absher returned to Colfax following their marriage in Nevada last week. Mrs. Absher is the former Dorothy Caruso and well known here, where she has often visited.

District Mourns At Passing Of Mrs. Olive Luck

Funeral Held On Saturday For Widely Known Matron

This community was shocked and saddened last Thursday morning with the death of Mrs. Olive Drilla Luck, 65, wife of Robert Luck, for 19 years an employee of the division of highways in Truckee.

Mrs. Luck had been in ill health for several months, having suffered a heart attack last fall. However, she had been up and about and only a few days prior to her death returned from a visit with relatives in Woodland.

Funeral services were held Saturday afternoon at the Truckee Colonial Mortuary with Rev. A. A. Carmitchel officiating. Cremation was in East Lawn at Sacramento.

Mrs. Luck was a native of Missouri, born June 23, 1887. She came to California many years ago and until the family moved to Truckee 19 years ago, had resided in Woodland. She was widely known locally for her philanthropies. Although always unheralded, she was almost constantly in attendance upon a neighbor or friend less fortunate than herself and much of her time was devoted to caring for the ill. Mrs. Luck was also an ardent sportswoman and spent many days seeking out new trout streams in her visits to the back country with her husband.

Surviving, beside her husband, are three children, Mrs. E. S. Dunton of Woodland, H. H. Cunningham of Reno and Lt. Com. V. S. Brewster, currently stationed in Japan who flew home upon word of his mother's passing. Four sisters reside in Kansas.

Sincere sympathy of the entire district is extended to the family.

EASTERN STAR OBSERVES DATE OF INSTITUTION

The 61st anniversary of the founding of Truckee Chapter No. 116, Order of the Eastern Star, was observed at the regular meeting held Tuesday night, following a two-months vacation period.

C. B. White gave an interesting report on the chapter's history before 42 local and visiting members.

Mrs. Marie Street, worthy matron, and James McIver, worthy patron, presided over the business session and later a shower party was given to add to the equipment of the newly renovated kitchen.

Mesdames Edythe Deaton, Bell White, Elizabeth Bavier and Annie Tonini were in charge of refreshments. Spring colors were used in the table decorations.

Wilma Lucas will be chairman for the refreshment committee for the next meeting to be held March 17.

MRS. JOHN RABLIN FETED AT SHOWER

Mrs. John T. Rablin was the incentive for a shower, given Thursday evening by members of her knitting club group, given by Mrs. Herbert Copeland and Mrs. N. S. McCrary, in the home of the latter. Pastel shades were used in the party appointments. Gifts were presented to the honoree during the pleasant affair.

TRASK TALKS ON STAY IN GREECE

Robert Trask Jr., who spent three years in Greece before coming to Truckee, gave an interesting talk on the sojourn at a meeting of the Truckee Rotary Club Monday night at Brown's Cafe.

Charles Osburn presided at the meeting and guests included Hobart Snider of Nevada City, Robert Wray of Tahoe and Orval Vaughan, Edward Trask, Thomas Carter and Dale Thomas, all of Truckee.

NATIVE EXPIRES

Funeral services were held at Reno yesterday for Mrs. Lila M. Hackett, 64, wife of William Hackett and a native of Truckee. The Order of the Eastern Star was in charge of the last rites.

Sun Beams

by WALTER BARRETT

Young boys armed with rifles are presenting somewhat of a nuisance in some areas of the district by shooting birds, and even pet dogs and cats, according to an informant. There are too few wild song birds left in the woods and this unwonted destruction should be stopped immediately. We know that boys reach an age where a gun to them is an important item, but many of them are allowed privileges with deadly weapons which are and should be denied adults. While we all may agree that the vicinity is overstocked with apparently homeless dogs, there are many valuable family pets which are not classified in this group and regardless of ownership or anything else, boys should, if they are old enough to possess a gun, have enough sense to realize the mischief they are causing and the potential dangers of shooting anything beyond safe, adult-supervised targets. We sincerely hope that the practice will be immediately discontinued and are grateful to our informant for providing the information.

* * * * *

The advent of spring weather in this region has resulted in increased motor traffic and with it the usual dangers of crowded highways. During the recent holiday weekend, accidents — major and minor — were so frequent that the local squad of the highway patrol was kept constantly on the run. In nearly every instance citations were issued, indicating that laws were being broken and causing the mishaps. More courtesy on the highway, a little closer adherence to the vehicle code and above all less break-neck speed would go a long way in making the roads safe.

RECORD SET IN HOLIDAY TRAFFIC

Traffic through the Truckee quarantine station during the recent three-day holiday weekend (Washington's Birthday) set new records and exceeded even last Labor Day, a check of the figures reveals.

A grand total of 8,779 cars were checked westbound during the three days, 6,332 being inspected and the balance locals. Sunday was the heaviest travel day with a total of 3,340 westbound vehicles passing through the gates, Dave Morey reported.

DRIVER FINED IN CRASH WITH BUS NEAR TRUCKEE

Donald M. Temple, 36, of San Francisco, charged with being drunk while driving on the wrong side of the highway and failure to keep the vehicle under control, lost his driver's license for one year and was fined $400, with the alternative of serving six months in jail, when he appeared February 26 before Judge F. W. Wilson of the Truckee judicial district court.

Temple was arrested by Patrolman T. F. Sheehan after the station wagon he was operating got out of control a mile east of Truckee last week and crashed into the front of a school bus driven by Lewis Cummings. The bus was returning from Floriston and aside from the driver was unoccupied.

Neither Cummings nor the accused violator was injured.

EASTER EGG HUNT IS PLANNED BY CLUB

The Truckee 20-30 Club met at Brown's Cafe last night and a committee was named to have charge of the annual Easter egg hunt, sponsored by the club for the youngsters of the community. Serving on the committee are Jim Morhain, Tom Patterson and Jack Ellis. President Bill Frey presided at last night's meeting.

From Valley—

Mr. and Mrs. Robert Kimball, children, Bill and Clara, and a friend of the latter were weekend guests of Mr , and Mrs. Rex Thomas.

Booster Booth Is Proposed At Chamber Meet

Signs Proposed Along Road To Advertise Region

The possibility that an information booth, at which literature descriptive of the area and travel information can be dispersed to motorists, may be installed near the state's quarantaine station west of Truckee near the Tahoe Wye, was discussed at a meeting of the Truckee Chamber of Commerce at Brown's Cafe Tuesday night.

Orval Vaughan, in charge of the quarantine station, said he would take the matter up with his department officials and report back to the chamber on the decision. The booth, it was explained, would be operated entirely separate from the busy station, but near enough so that westbound travelers, required to stop for inspection, could, if they desired, obtain information on the area. Details are only in the formative stage and will be discussed more thoroughly at a future meeting of the chamber.

Proposes Signs

Ed Crandall of Hill Top Lodge volunteered to provide materials for a series of roadside signs, 10 by 16 feet, which he proposed be installed between Auburn and Truckee and between here and the Nevada state line, calling attention to the year around recreational and vacation advantages of Truckee and this immediate area.

President Cliff Ellis appointed Howard Newsham, Reginald Smart and Dr. Oliver Scow to work with Crandall on the project. The project would be sponsored by the chamber, which would finance the painting and installation of the signs, Crandall explained.

Rex Reid reported progress in the current membership drive and all indications are that the membership enrollment will break all records.

Accurate Reports

At its Tuesday night meeting, the chamber began investigation of a project designed to provide correct road and storm information to radio stations and travel information agencies. It was pointed out that quite often information that local highways are closed or that chains are required given out long after controls have been taken off is confusing to motorists and harms business in this district.

Mrs. Emma Flynn, Truckee taxi operator, asked the chamber to support her in a plan to reserve a taxi parking space in front of her Sportland on the main street. The chamber took no official action but members expressed a desire to cooperate.

More than 20 members attended the session, heard reports and plans for promoting the area and discussed current problems.

SENATOR SLATED TO SPEAK BEFORE TRUCKEE P. T. A.

State Senator Harold Johnson of Roseville is scheduled to speak before members and guests of the Truckee Elementary School Parents and Teachers Association meeting to be held at the school Monday evening, March 9.

Mrs. Don Sites will be installing officer when Mrs. Howard Newsham takes her place as incoming president of the organization. Other officers to be seated during the ceremony are Mrs. Robert G. Leamon, vice president; Mrs. Martin Sturcke, secretary; Mrs. James Walker, treasurer. Mrs. Rex Reid is the retiring president.

Joseph Mustol will direct the choir of the Tahoe-Truckee Unified School District in several selections and refreshments will conclude the important meeting.

DRIVERS DETAINED

Two men, Bert James Weatherman of Downieville and Elliot Yearsley of Coloma were being held in the local jail today on charges of driving while intoxicated. They were arrested last night by Patrolmen Roy Stallard and T. F. Sheehan.

Tahoe to Host Big Boat Races In '53 Season

TAHOE CITY— Preparations for staging at least two regattas at Lake Tahoe this summer are under way, according to Fred Main, president of the Lake Tahoe-Sierra Chamber of Commerce and commodore of the Lake Tahoe Yacht Club.

One of the races will present some of the fastest boats in existence and will attract racers from all over the country, Main indicated. This will be the Lake Tahoe Gold race for hydroplanes.

In connection with the hydroplane races, which will attract such drivers as Morlen Visel, one of the nation's top speed boat designers and drivers, Stanley Dollar, Bill Stead, Henry Kaiser and numerous others, there will be the runabout contests.

The Tahoe races will be held either prior to or shortly after the national contests at Seattle. The lake is hoping to draw the national races for 1954, Main said.

Main said he estimates a crowd of at least 75,000 will witness the races this year.

The extent of the size of the planned contests, Main indicated, will depend largely upon the ability of the chamber of commerce and the Lake Tahoe Yacht Club to meet requirements of the association that sponsors the national races.

If these requirements can be met, Main predicted, the 1953 races will attract the greatest array of hydroplanes ever assembled for one race.

Main currently is residing at Laguna Beach but is busy with plans for the forthcoming summer season.

COMMITTEES FOR WYETHIA NAMED FOR THIS YEAR

Mrs. Fred Pedley, newly installed president of the Wyethia Women's Club this week announced her committees for the year. Other officers of the club include Mrs. Rex Reid, vice president; Mrs. Cliff Ellis, treasurer; Mrs. Carroll Maynard, secretary; Mrs. E. K. Stice, parliamentarian.

The committees are as follows: Mrs. Lorrin Ferdinand, house; Mrs. W. A. Loynd, program; Mrs. C. R. Heller, hospitality; Mrs. Jack Ellis, ways and means; Mrs. Rex Thomas, civic recreation; Mrs. I. Firpo, reservations; Mrs. Beverly Davis, rentals; Mrs. Reginald Smart, membership and federation extension; Mrs. E. L. Loynd, Mrs. E. V. O'Rourke and Mrs. E. C. Bavier, finance;

Mrs. Raymond McCarty, gardens; Mrs. Stice, music; Mrs. A. A. Carmitchel, Bible; Mrs. Doyle McGwinn, art; Mrs. Dan Horman, home defense; Mrs. Jack Neugebauer, arts and crafts; Mrs. E. L. Loynd, narcotics; Mrs. Fosten W. Wilson, philanthropies; Mrs. Nat Quilici, youth.

TONY POLYANICH OFF FOR EUROPE ON LUXURY BOAT

A. B. (Tony) Polyanich, widely known Truckee businessman, left Monday night on a trip to Europe. He flew from Reno to New York, where he was scheduled to board the luxury liner United States, fastest passenger ship on the run.

Tony plans to visit in Paris before going to his native Jugoslavia by plane for a visit. He plans to return to the United States on May 20. In the meantime, Mrs. Polyanich will continue operation of their popular restaurant here.

The visit will mark the first time Tony has left this country since his arrival 53 years ago. Most of that 53 years were spent in Truckee.

RALPH GARCIAS PARENTS OF SON

Mrs. Ralph Garcia and their new son, Benny Joseph, arrived Tuesday at their home in Truckee following a stay in a Reno hospital, where the latter was born Wednesday, February 25, at 11:30 a.m. His father reports the boy's birth weight at an ounce over seven pounds.

Tahoe-Truckee Wins Trophy In Lassen Tourney

End Tournament in Loss To Lovelock At Nevada

The Tahoe-Truckee High School varsity basketball team came through with flying colors last weekend in the Lassen invitational tournament held at Susanville. Playing in the small school A division, the Wolverines defeated Loyalton and Bieber to reach the finals.

The Loyalton game was an easy 57-31 victory as Bob Tonini set the pace with 25 points. The Bieber game was a different story. The Mustangs led the locals all the way until five seconds before the final whistle sounded. At the end of the first quarter it was 16-13, at half time 21-19 and at the beginning of the final period the score stood 35-30 in favor of Bieber. With five seconds showing on the clock, the score was tied at 44 all. Tom Grow saved an out-of-bounds ball on a rebound play and reached Joe Copeland, who fired to Bob Tonini waiting under the bucket. Bob was all alone and dropped the ball in for the winning two points.

In the finals, for the championship Saturday night, the Wolverines were never able to get moving against the Cedarville team from Surprise Valley. Bucher and Roome, with 25 and 20 points each, led the Cedarville to a 49-29 win. Tonini hit 18 against Bieber, 25 in the Loyalton game and added nine more in the final game for a total of 52 points, a 17.3 points per game average for the tournament.

The Wolverines wound up the 1952-53 season last night with the Western Nevada Conference zone tournament. They were dropped by Lovelock in the opening game in University of Nevada gym at Reno. The Pershing County boys maintained a lead through the game, pacing the mountain men 12-6, 22-16, 37-24 and 57-34 at the quarter marks. Copeland and Tonini chalked up nine points apiece to lead the losers.

CHILDREN'S SKI RACES TO SWELL MARCH OF DIMES

SODA SPRINGS— The annual March of Dimes benefit ski race for all the youngsters in this area will be held at the Soda Springs Ski Hill Sunday starting at 11 a.m., Milt Hogle announced this week.

The affair will feature children up to 12 years of age, with a special event for those between 12 and 14 years.

All the races will be run on the "bunny" hill and trophies will be awarded, the winning boys receiving a belt buckle and the girls a bracelet charm. A grab bag race will provide the smaller children with thrills and prizes to be plucked from the snow on their way down the slope.

All the proceeds from the races will go to the March of Dimes, Hogle said.

DINNER ATTRACTS LARGE ATTENDANCE

Seventy members and guests attended the Wyethia Club dinner, dance and floor show in Donner Lake Lodge Saturday evening. The Hawaiian theme was carried out in the well received program. Lila Farrar performed a native dance, Jerry Quam sang appropriate selections, accompanied by Dorene Quam, Judy Loynd and Carol Ann Quilici pleased with tap and acrobatic numbers. William Englehart Jr. was a master of magic during the affair.

GRACIK LEAVES TRUCKEE MERC

John Gracik, who has operated the meat department at the Truckee Mercantile for the past year, has announced that he is no longer associated with the firm. He did not anonunce any immediate plans.

A. Pace, owner of the store, is maintaining a limited meat supply, principally smoked items, cold meats, cheese, ground beef and similar items for the convenience of his patrons. Plans for enlarging the department are indefinite.

DORETTE ROSE IS HONORED AT PARTY

Mrs. David Rose entertained between three and five o'clock Tuesday afternoon in honor of their daughter, Dorette, who celebrated her birthdate. The young friends took part in the opening of gifts and games, and later a decorated cake and other refreshments were served by the hostess.

In Hospital—

Mrs. Harry Eaton underwent an operation at Tahoe Forest Hospital Monday morning.

Tahoe Topics

by ETHEL J. VERNON

The one slight recurrance of winter weather during the entire past week came once more on the weekend at Tahoe. On Saturday ninght the temperature dropped considerably below the freezing point and at 8:30 Sunday morning Weather Observer Arthur Frodenberg measured 1½ inches of new snow for the past 24 hours. With this bit of dry snwofall, precipitation amounted only to a very thin fraction, scarcely noticeable. The snow pack on the ground at that time, Frodenberg said, measured 32 inches and the lake level stood at 6227.46 feet above sea level. All water gates at the Truckee River dam remain closed but because of almost constant clear, sunny weather and steady evaporation, the lake's lveel continues to recede very slowly.

A letter from a friend in Fallon, Nevada, this week speaks of extreme dryness on the ranchland there, presumably because of no run-off from that side of our mountain range. The writer mentions the fact that "there will be no water in the ditches for at least another month" and that a hose is now being used to water grounds around the home. So it looks like the water from the river might be needed very soon among the lowlands, unless there should be early spring rains.

In Tahoe City the Rotary Club at last week's meeting discussed at some length ways and means of beautifying the town and making things more convenient here for visiting tourists and strangers. The first discussion concerned plans for the provision of more sand for the wave washed beach of the Tahoe City Commons. These plans came about through a suggestion to Rotary vice president Bill Connors by Carrol Raymond, Tahoe-Sierra chamber of commerce manager, who has offered to handle any necessary correspondence on the matter. Connors appointed C. W. Vernon and Basil Kehoe on the beach sand committee to arrange for the hauling of the sand and getting prices on the same from contractors. The improvement on the commons is understood to be a community project, the expense to be borne by community organizations, aided by donations from the town people in general.

The second discussion at the meeting concerned plans for a large welcome sign to be erected at the southern Y, Tahoe City's main entrance, with possibly an ornamental arch over the highway at that point. It was pointed out that many newcomers here, on their first arrival in town, seem to be confused as to where they are. Foolish as it may seem, there has been time after time when some stranger has driven into town, alighted from his car and stood on the rise of the highway overlooking the lake to ask (quite seriously) of some astonished resident, "Where is Lake Tahoe?" So the town now thinks seriously of putting up a large sign to read "You Are Now Entering Tahoe City" or "Welcome to Lake Tahoe." Connors, acting as president, appointed himself and Bill Jenkins on a committee to see what can be done about the sign.

The Tahoe City Rotary's last meeitng was a well attended affair in the main dining room at Tahoe Inn. Following the dinner and business meeting, an hour-long motion picture was put on by Bill Jenkinson. The color reel, produced by an outboard motor company, showed boating, fishing and hunting in the Lake Superior locality. Visiting Rotarains and their guests included Chester Hendricks of Walnut Creek, Richard Lavery and Ernie LePire of the North Tahoe Rotary, Roy Porath, president of Brockway Rotary, Gilbert Ballard of Kings Beach, Richard Wheating of San Francisco and Robert Kehoe, brother of Basil Kehoe of Tahoe City.

The Rotary's free movie, shown in the Tahoe Lake School last Wednesday evening, was a very interesting scientific reel entitled "Rocket Ship." It depicted in exciting detail some of the things that might happen on the first manned rocket ship flight from the earth to the moon.

At this weekend's junior 4-way ski tournament, two of the Tahoe Ski Club's aces were missed in the competition. They are Lewis Fellows and Gary Brumbaugh. Both were confined to their beds with virus flu. Mrs. Ray Fellows was also reported ill with some troublesome virsus. However, Ray Fellows, who attended the ski club's banquet, reported his wife and son as feeling some better on Sunday evening.

The Tahoe City branch library, with other libraries in this county, will observe Library Week March 8 to 14. Mrs. Lenora Bartell, local librarian, says there is "something for everyone" on the library shelves now and if resident do not find just what they want there and will tell her its name, she will do her best to obtain it from either the Placer County library in Auburn or the State Library in Sacramento. Tahoe City's branch library was moved a year ago from its location of many years in the community center here into its own new building, situated between the post office and fire house. Carl Bechdolt Sr. built and dedicated the new library in memorial of his late wife, Julia. This library now has on its shelves over 3000 books. During Library Week, Mrs. Bartell invites all Tahoe City and vicinity to come in on library days and avail themselves of some of the good reading there.

Mrs. Phil Geier has been appointed captain of the annual Red Cross fund drive in this area and she needs your help as it is urgent that the Red Cross receive generous support this year. An enormous amount was spent last year during the flood disaster in the midwest. This year the American Red Cross is spending $7,000,000 in assuming the responsibility of collecting blood needed for gamma globulin, the weapon in the fight against infantile paralysis. As this dread disease can strike any home any time, all should be anxious to help in this important work.

On the south and southeastern shores of Lake Tahoe, where we motored a few days ago, the snow banks have dwindled to practically nothing and in in the warm sunshine all kinds of summer birds are making themselves at home now. If it weren't for the exceedingly cold nights over there, the spring leaves would probably be budding. We found out that most nights at the south end the temperature wavers between 8 and 15 above zero. Businesses at Tahoe

YOUNG STARS VIE FOR HONORS AT 4-WAY SKI MEET

TAHOE CITY— The Far West Ski Association divisional four-way championship, sponsored by the Lake Tahoe Ski Club, was favored Saturday with perfect weather and good snow conditions. Two of Tahoe's top skiers were missing with Lewis Fellows and Gary Brumbaugh down with flu. Their absence was blamed for the local club not finishing the two-day meet with top honors, as it did a week earlier in the interscholastic meet at Tahoe City.

The downhill and slalom races for boys and girls were held Saturday at Squaw Valley with 29 boys and 19 girls competing in five classes, which are designated by age.

In the downhill for boys of Class 1, Bob Johnson of Modesto was hard pressed for first place. His time was 40 seconds flat. Jim Dickenson, Big Bear, was only a tenth of a second behind in 40.1, followed by Bill Baker, Big Bend, in 40.8. There were 12 entries.

Class 2: John Robinson, South Tahoe, 35.7; Dick Dorworth, Reno, 36.5; Jay Stuart, Tahoe City, 39.5.

Class 3: Ronnie Rau, Soda Springs, 40.1; Kit Schull, Sugar Bowl, 43; Rex Donaldson, Tahoe City, 44.5.

Class 4: Richard Robinson, South Tahoe, was a lone entry, making the run in 51 seconds.

Class 5 for boys under 10, Jimmie Huega, one of the local club's most promising prospects in the lowest class, took an easy first in 46.4 sceonds. Jimmie Schull, Sugar Bowl, was clocked at 57.6 and Trent Giannini, Tahoe City, at 2:42.2.

The first three places in slalom races for the five classes were:

Class 1: Bud LeRude, Reno, 88.2 seconds; Jim Dickenson, Big Bear, 89.6; Bill Baker, Big Bend, 91.8.

Class 2: Dick Dorworth, Reno, 92 flat; John Robinson, South Tahoe, 92.2; Jay Stuart, Tahoe City, 103. Class 3: Ronnie Rau, Soda Springs, 93.5; Kit Schull, Sugar Bowl, 106.5; Rex Donaldson, Tahoe City, 110.6.

Richard Robinson, South Tahoe, had class 4 all to himself again and was given the same 100 per cent performance rating as all other first placers. First three places in class 5 in order were won by Jimmie Schull, Jimmie Huega and Trent Giannini.

Girls downhill, class 1: Joan Smith, a lone entry, ran the course in 39.1 seconds. Class 2, Kathy Zimmerman, 32.7; Lyn Gotchy, 35.1; Penny Jenkinson, Tahoe, 38.6.

Class 3, Justine Cushing, Squaw Valley, 37 seconds; Linda Smith, 95; Kris Soltau, Tahoe, 112. Class 4, Madelaine Tschopp, 50.5; Delia Tschopp, 54; Susan Sparrow, 58.2.

Class 5, Lilly Cushing, Squaw Valley, 52.6; Binth Rustad, Granlibakken, 58.4; Sherry Thatcher, 70.5.

Girls slalom, Class 1, Joan Smith, 133.2. Class 2, Kathy Zimmerman, 98.1; Marles Rau, 111.4; Lyn Gotchy, 113.7. Class 3, Justine Cushing, 178.2; Linda Smith, 190; Kris Soltau, 334.2. Class 4, Starr Walton, Delia Tschopp and Pat Nast in that order. Class 5, Lilly Cushing, Binth Rustad and Judy Bacon were 1, 2, 3 respectively.

One hundred and five bronze pin awards were on hand for first three places in the events. Awards were made at a banquet for contestants at Tahoe Inn on Sunday night. Dancing followed.

On Saturday night an inch and a half of new snow had fallen on the Tahoe City golf course where the cross country events were run and a north wind kept some spectators in their cars parked along the highway.

In Class 1, Bud Sorenson of Reno kept an easy lead in a field of 12 to take first place over the 2½ miles course. His time was 14 min-11 seconds. Bill Baker, Big Bend, was 2nd in 15:41 and Phil Ebe of Tahoe third in 15:47. Class 2, six entries, John Robinson, South Tahoe, 12:14; Jay Stuart, Tahoe, 12:37; Donald Stark, Tahoe, 13:47. Class 3, Darryl Stark, Tahoe, 16:57. Class 4, Richard Robinson again was the only entrant and was awarded the same 100 per cent performance rating. Class 5, with six running over a short course, was won by Trent Gianinni, Jimmie Huega 2nd and Bob Porter 3rd; all three of the host club.

The jumping events held Sunday on Olympic Hill at Granlibakken went to Phil Ebe in Class 1 with 201.6 points for two jumps. Bob Johnson of Modesto was second with 170.3 and Bud Sorenson of Reno was third, 167.6. Class 2, Jay Stuart, Tahoe, 1st with 208.5; Dick Dorworth, Reno, 198.7; John Robinson, South Tahoe, 193.7. Class 3, Darryl Stark, Tahoe, 178.2; Rex Donaldson, Tahoe, 164.7; Ronnie Rau, Soda Springs, 147. Richard Robinson again had Class 4 to himself and scored 172.17. Little Jimmie Huega took top honors in Class 5 with 193.3; Billie Conners, Tahoe, 142.2; Jimmie Schull, 136.2.

Truckee Elementary School News

Kindergarten

This week the class has been busily employed in the painting of a mural, consisting of houses, trees, flowers, grass and people made out of paper. The children are using strips of gaily colored yarn to learn their colors.

Hal Wardman brought a scrapbook to show us pictures of children. It was made by his mother when she attended school.

First Grade

The boys and girls wrote a letter to Valerie Crook who has moved to Ojai, Calif.

In health we are learning about proper food for a good lunch. We have cut out pictures of different foods and have written a chart story.

Third Grade

The class welcomed Michael Goodall from Green Valley near Vallejo.

Sixth Grade

After a very successful dance held recently by the class, at which 25 parents attended, we are planning a St. Patrick's Day dance. Consequently we wanted to know some other steps, Miss Patricia Meddaugh is teaching us to rhumba. In physical education we have been doing some folk dancing too.

Several of our class are reading books on Central America so they may report to the class and interest others in reading the books. Among the boys and girls who will make these reports are Harold Brown, Allan Young, Dorothea Frey, Judy Vaughan, Patty Stinchfield, Frank Patton, Shirley Kohl and Philip Rausch. Harold Brown made a map of the world on which we will locate the countries about which we read in our readers. John Firpo is making flags of all the countries about which we study in social studies. Janet Allen and Judy Vaughan are going to make a scrap book of articles they find about Mexico, Central America, South America and the West Indies. Gavin Roberson, who is a stamp collector, is going to make a chart with the stamps of each country and streamers pointing to that country.

In science we are learning how our body keeps warm, the use of carbon in our body, about the life cycle, digestion and circulation. Carol Ann Quilici drew some interesting pictures about circulation in our bodies.

General School News

Plans are being made to observe Conservation Week to commemorate Arbor Day, Luther Burbank's birthday, March 7. The week of March 7-14 will see many activities in each class to demonstrate the importance of conserving natural and human resources.

Principal Lynn Kishbaugh is attempting to arrange for a guest speaker for an assembly on safety education, together with an appropriate film, to assist in recognition of National Safety Week, March 15-21.

At their regular meeting the teachers made plans for observance of Public Schools Week April 27-May 3. These plans will be announced at a later date when final arrangements have been completed.

At the last session of the skiing program Tuesday, March 3, a field day for all the skiers was held at Squaw Valley under the direction of the ski instructors, Gordon Butterfield, Bud Zorich and Bill Jenkinson. Hugh Smith and Lynn Kishbaugh of the Truckee Elementary School staff helped to supervise the 65 ski enthusiasts.

Jellied Salmon Mousse
Combine in top of double boiler:
2 tsp salt, 2 tbs sugar,
1 tsp. dry mustard,
1 tbs. flour,
⅛ tsp pepper, 2 well-beaten egg yolks, 2 tbs. melted Crystal Butter, 1 cup Crystal Milk,
⅓ cup vinegar
Cook over boiling water until mixture thickens, then add 1 envelope gelatine dissolved in 2 tbs cold water. Cook a little longer, stirring constantly. Add 2 cups cooked, flaked salmon; mix lightly and turn into a mold. Chill and serve with a cucumber sauce.

* * *

Roquefort Dressing: Mix 4 tbs. soft, ripe roquefort cheese with 4 tbs. Crystal Whipping Cream. When smooth add 1 cup French dressing.

* * *

COTTAGE CHEESE FRITTERS
Force 1 lb. Crystal Cottage Cheese through a medium-meshed sieve and beat into it 4 well-beaten egg yolks. Flavor with freshly ground black pepper, salt and a few grains each cayenne and nutmeg. Shape into balls the size of walnuts, dip in plain frying batter flavored with a little sherry and, if you like, roll them in ground, slightly toasted almonds. When ready to serve, fry the fritters in deep hot fat until delicately browned. Serve very hot on rounds of toast spread with watercress butter.

Kristie Lee is the name of the sweet baby girl born to Mr. and Mrs. Ray Plunkett of Crystal Bay. The baby was born February 26 in a Carson City hospital. Just 6½ pounds, says Ray, and is she a beauty! The grandparents, Mr. and Mrs. K. O. Harried of Kings Beach are overjoyed at the event. This is the second girl. The first, Cindy, is 15 months old.

A fire that might have had serious consequences occured at the home of Mr. and Mrs. Elder on Steelhead St. in Kings Beach during the last week. Only the fact that a fire extinguisher was in the house and used promptly by Alta Elder, who was alone in the house, kept the fire under control until the fire truck arrived. Within five minutes of the time the alarm was put in to Alice Sorensen, who was on the switchboard at the 'phone exchange, the fire department, police, service station operators and a dozen others were on the job—a fine demonstration of prompt coordination of our citizens, I would say.

Walt Bailey was seen driving his tow truck to the fire. He says, "If they can't get the fire truck to the house, I'll tow the house to the fire truck."

Bill Miedema, who is presently at "boot camp" at San Diego, has become engaged to Carol Webb of Pasadena. These young people expect the wedding to take place at either the home of Bill's mother and dad in Kings Beach or at Pasadena early in April. The A. W. Miedemas are expecting to become grandparents some time in July, according to word from their daughter, Mrs. Beverley Williams of Pasadena.

Mel and Carmel Throop have just returned from a wonderful vacation with Carmel's dad at Folsom. No rain there for 40 days, says Mel, and the land on the ranch was hard and dusty. Then they visited their daughter, Connie, and her husband in San Francisco. Mel also tells me he has a beautiful Chevrolet.

All members of the Brockway Rotary Club are asked to be present for a work meeting to be held on Sunday, March 8, when they will try to complete the interior of the Lake Tahoe Gun Club building. The Lake Tahoe Archery Club will assist the civic group in the day's program. A pot luck lunch will be enjoyed, according to E. J. Stokes, secretary of the Rotary Club.

The North Tahoe Women's Club had a very successful hat party last Thursday night at the Sierra Lodge in Crystal Bay. The theme for the party was "Song Title" and in accordance with this, there were many clever and original hats. Each person introduced herself and made known the song which her hat represented by singing one line of the song. The outgoing officers were presented with gifts and the incoming officers were introduced. Minnie Wagner presented the prizes to the winners. First went to Mrs. Teddy Sparks with "Buttons and Bows." Second went to Mrs. Pat Amundsen of Al Tahoe with "The Still of the Night" and third to Mrs. Margaret Madden with "Too Old to Cut the Mustard." Nina Sorensen, a charter member, read the constitution and history of the women's club. A skit was presented by Mrs. Margaret Christiansen and Peggy Mandeville, who wordlessly depicted their antics of previous club meetings. Kay Felte acted as M.C. Ruth Mizner was at the piano. Others on the program included Alice Sorensen, Kay Wing, Lloydine Clayton, Marilyn Baker, Finney Arney, Kay Campbell, Mary Abbott, Minnie Wagner and Maybelle Vahey. Thanks were extended to Dixie Reese for his cooperation in making the evening a success.

Larry Rood came very near losing his finger last week. When nobody was looking, he poked the digit in a band saw. It's still giving him quite a lot of trouble. Here's hoping it will soon be o.k.

Mr. and Mrs. Mac Burroughs visited their son and daughter-in-law during last week. They tell me Preston and Dudie are doing fine. Their home is at Fernley, Nevada. Mac's sister, Mrs. Emily Peters, went along with them.

TO OBSERVE LIBRARY AT LAKE TAHOE

The Tahoe City branch and the Kings Beach branch of the Placer County Free Library will join with other libraries in celebrating the second annual California Library Week March 8-14. The purpose of this week is to inform residents of the many valuable services and resources available in their libraries.

The theme "Something for Everyone" is especially appropriate for books of all kinds are available to Placer County library patrons.

The Tahoe City branch has nearly 3,000 volumes in its collection. Books not in the collection may often be obtained from headquarters library in Auburn or from the state library by placing a request with Mrs. Lenora Bartell, branch library assistant.

The Kings Beach branch is located at The Burroughs in Tahoe Vista. It has fewer books than Tahoe City but like other county library branches it also may borrow any book belonging to the Placer County Library and books from the state library. Requests should be placed with Mrs. Thelma Burroughs, branch library assistant.

Both Mrs. Burroughs and Mrs. Bartell are hoping that local residents will use this week to get better acquainted with their local libraries, for both libraries do have "Something for Everybody."

A couple of Truckee young men rate mention for outstanding performance in athletic endeavor this week.....last weekend the Tahoe-Truckee high school basketball squad surprised a lot of folks by their excellent showing at the Susanville tournament.....and while "the team's the thing", two locals came in for all-tournament team honors....."Busy Bob" Tonini rated listing on the small school A first team.....while Joe Copeland landed a spot on the second team in the same division.....Vern and Ervina Shattuck back from a Mexican Buick ride.....in time to head for "The City" to book more shows for their Donner Theater.....leaving Virginia Everett in the glass cage selling tickets.....Beverly Wilson holding down the judge's desk in the justice court yesterday.....as a steady stream of folks were in and out to see the unemployment representative.....who headquarters at the court room the 1st and 3rd Wednesday each month.....Mrs. Gus Benjamin up and down the street putting up the 1953 Red Cross fund drive posters.....Looked like old times with Jimmy Leamon helping Cecil Clepper wrestle a crated Westinghouse Laundromat on to a trailer in front of Rasco.....except Jimmy was the customer, not the salesman.....taking the appliance to his new home at Willows.....A grapefruit is just a lemon that had a chance.....and took advantage of it.....Finis.....

WINTER IN BRIEF VISIT OVER LAKE AREA

TAHOE CITY— For the week ended March 2, a bare 2 inches of snow fell at Tahoe City, depositing only .07 of an inch precipitation, according to A. E. Frodenberg, official weather observer.. Daily high and low temperatures were: Feb. 23rd: 29, 18; 24th: 36, 13; 25th: 47, 13; 26th: 47, 18; 27th: 50, 22; 28th: 44, 24; March 1st: 22, 14; 2nd: low 12.

The lake level Monday at 8 a.m. was 6227.47 with all gates open. There were 32 inches of snow in the pack at Tahoe City at that time.

CARNELIAN REZONING HEARING SLATED

AUBURN— The Placer County planning commission has set Friday, March 27, for the second hearing on the proposed revision of the zoning ordinance affecting the Carnelian Bay area at Lake Tahoe.

Proponents of the revision seek added multiple purpose and commercial zones in areas now classified as residential.

Back from Vacation—

Mr. and Mrs. Ray Grahn have returned to Tahoe City following a mid-winter vacation to San Diego and Mexico.

TAHOE TOPICS

(Continued from Page 2)

Valley Y have all been open throughout the winter except for the main hotel and the Indian Trading Post.

The Southeastern lakeshore settlements and resorts are mostly open now and quite busy. Bijou Park, which has become a town in itself within the past few years, has more than a score of thriving businesses along Beach Avenue and the highway and most of them have remained open all winter. The Bright Spot, a quarter mile business section of highway at the California-Nevada line, is entirely clear of snow, with all businesses open and thriving.

The proposed addition of a $25,000 wing to a recently built El Dorado County branch office building at the south end will be discussed further by the county supervisors at their next meeting, following introduction of th subject by Supervisor Andy Robertson. He says the sessions of the Tahoe Justice Court are hampered by lack of suitable space other than the small office available to Judge Jack Lawson.

In the Kings Beach vicinity much building and improvement work in general is going on and a good share of the building has progressed throughout the entire winter, the practically open season allowing for free movement of material and unobstructed outdoor work. Fred Miller of Kings Beach is this week nearing completion of a 100-foot long apartment court. The huge and spacious building is constructed entirely of knotty pine and contains 20 living units. In time for this spring's opening the court will be furnished for transient rentals.

At Carnelian Bay these days the Lake Tahoe Marine and Supply is buzzing with activitty throughout its extensive installations. A crew of 18 men are kept busy there at present, most of them building utility boats on a government contract. The first contract, signed some time ago, for a dozen 33-foot personnel craft was only well startde last month when another order for eighteen 40-foot boats came in. Ed Davis of Carnelian Bay is the very busy foreman on the job, while Gilbert Ballard of Kings Beach is corporation president and manager of the office staff.

Mrs. Della Goss, for many years a resident in the Lake Forest locality, has taken over the position of caretaker at Tahoe Tavern this winter. Her husband, Sam Goss, fills in on weekends to take care of outside jobs. One day during the past week, Della sustained a painful foot injury, which has incapacitated her to hte extent of having to use a chair back as a kind of cane to get about her household duties for a few days. She was starting for a ride in the pickup when she stepped on an icy running board, slipped and fell, breaking a small bone in the side of her left foot.

Della's most recent communication from the home of her granddaughter, Mrs. Chris Buermer of Santa Cruz states that Beatrice is still a semi-invalid, though slowly improving after several weeks of illness. The sick woman, who has four small children, underwent an operation for the ailment some time ago. Mrs. Goss hopes to have the two older children, Gary and Grant, up for a few weeks visit with her this spring or early summer.

Mr. and Mrs. Leon Dockham, former Tahoe fish hatchery assistants, who recently moved to the bay region, write Tahoe City friends this week that they are now happily settled in both home and business. They have leased a neighborhood grocery store, at 5184 Miles Avenue, in Oakland, with living quarters behind the store. Both their sons, Cliff and Bob, are situated comfortably not far from their parents. The boys spend most of their weekends in the Donner Summit ski areas. The Dockhams send a message of appreciation to their many friends in the Tahoe area for past years of neighborly kindness.

Mrs. Audrey Foresberg, employee at the Tahoe City telephone exchange, wile driving in from her south shore home in Saturday night's light snow storm, was forced off the highway near Tahoe Tavern by an unidentified light truck. She said the trick was being driven straight up the center of the slippery road, weaving slightly from side to side over the new snow, and she had to drive too close to the side in order to avoid collision. Her car went into the ditch with front wheels at the bottom and the back standing up on the edge of the road. The truck increased speed and went by without stopping.

The Lake Tahoe Ski Club's dance at Tahoe Inn Saturday night drew a fair attendance despite weather conditions. Many lake residents dined at the inn and danced through the evening. Among the many out-of-town couples who motored in for the weekend were Mr. and Mrs. Pete Ables, former Tahoeites now of Auburn. Pete processed out last June from a lengthy tour of duty with the U.S. Marines and took a position as electrician with the Southern Pacific in Auburn. His wife is the former Carolyn Bolton, whose parents were for some years proprietors of Waleswood Lodge, south of Tahoe City.

Mr. and Mrs. Stanley Martin, former Tahoeites, were guests over the weekend at the A. M. Anderson home here. Martin is now superintendent of the Sierra Pacific Power Company at Lovelock, Nev. The Andersons left on Monday morning on a motor trip to Sacramento. They planned to spend a few days visiting the N. R. Mayfields who are wintering there from their Tahoe City home.

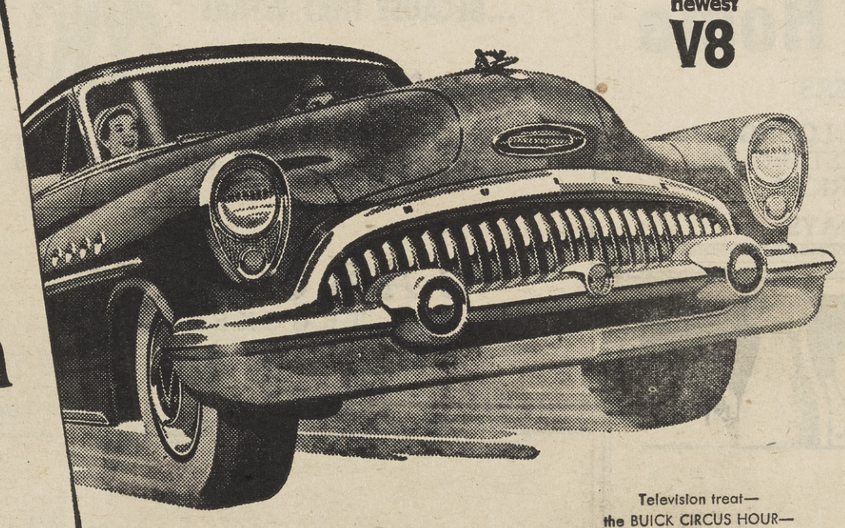
UP GOES THE POWER OF EVERY BUICK-

Special Super and Roadmaster!

World's newest V8



Television treat—the BUICK CIRCUS HOUR—every fourth Tuesday

It's more than pride that makes a man want a lot of horsepower beneath the hood of the car he owns.

For the real point in reaching record horsepowers and compression ratios goes beyond miles per hour. *It steps up performance and economy in normal driving.*

That's what Buick engineers did when they upped the power and compression of each 1953 Buick – SPECIAL, SUPER and ROADMASTER – to the highest figures in Buick's fifty-year history.

In the SUPER and ROADMASTER, they put a new kind of V8 Engine–first passenger-car V8 with 8.5 to 1 compression, and a long list of other major engineering advances.

For the SPECIAL, they redesigned the famed F-263 Fireball 8 Engine – gave it shorter flame travel, faster firing, higher horsepower and compression.

And to these spirited engines they coupled the new Twin-Turbine Dynaflow Drive* that adds flash-fast, quiet getaway to utter smoothness.

Just to give you an example of what all this means: *The 1953 Buick SPECIAL with Dynaflow can beat the mighty 1952 ROADMASTER on getaway–can reach 30 mph (when the law allows) with a combined speed and jerk-free smoothness no other car can equal.*

Of course, there's far more to these new Buicks for 1953 – some seven dozen *new* features alone.

But why not come in and see for yourself that these are the greatest Buicks–and the greatest values–in fifty great years.

*Standard on Roadmaster, optional at extra cost on other Series.

TAHOE CUBS WILL HOLD MARDI GRAS ON 26TH OF MARCH

TAHOE CITY— The Tahoe City Cub Scouts Den No. 1 will be hosts to a Mardi Gras held in the auditorium of the Tahoe Lake School from 7 to 9 p.m. March 26. Posters being distributed everywhere in the community were made by the Scouts and are highly ornamented with various attractive drawings in an attempt to give a comprehensive description of the place where "Your Pennies Will Buy Fun." There will be dancing and games at the big party for old and young, and the games will cost the entrants only "one penny" each.

There will awards for winners in the contests.

On Monday afternoon a meeting, presided over by Mrs. Wayne Poulsen of Squaw Valley, the den mother, was held at the school house. Its main purpose was so that mothers of the Cubs might form plans for the coming entertainment. Among those attending beside Mrs. Poulsen were Mrs. J. Giannini, Mrs. Max Porter, Mrs. William Connors and Mrs. Marie Henry.

BACK AT TAHOMA

Mrs. Truman Sunkel has returned to her business at Tahoma and is preparing to open it for the summer months, after spending the winter in the southern part of the state.

BRIDGE WORK

H. G. Loehr, chairman of the Nevada County board of supervisors, reports that work has begun on construction of the bridge spanning the Truckee River at Floriston.

Monday Hostess—

Mrs. Lorrin Ferdinand was hostess to members of a card club on Monday evening. Following the final tally of the games, refreshments were served.

POTLUCK SUPPER FOR P. T. A. GROUP

The Tahoe-Truckee High School PTA will hold their next meeting on March 12 in the school cafeteria starting with a potluck supper at 7 p.m. The program for the evening will consist of musical selections by the high school band under the direction of Joseph Mustol and a talk by Mrs. C. Patnoude, the school district nurse.

The officers for the 1953-1954 school year will be elected at this meeting. It is hoped that all members and friends of the high school will attend this meeting and will bring either a covered dish, a salad or dessert.

From Capital—

Charles Harvey, acompanied by his mother, Mrs. Hannah Harvey, returned this week from Sacramento. Mrs. Harvey is recuperating from an auto accident in which she was struck by a car while walking on a street last December in the capital city.

Boise and Back—

Mr. and Mrs. Douglas Barrett and daughters returned Monday from a visit with relatives at Boise, Idaho.

ART BALL WILL BE HELD ON 13TH AT SCHOOL HERE

Climaxing the art exhibit to be held in the cafeteria of the Tahoe-Truckee high school on the afternoon of Friday, March 13, between the hours of two and four, a student king and queen will be crowned and the couple will reign at the Art Ball to begin at 8 p.m. on the same date. The Wyethia Club is sponsoring the events, the afternoon showing open to the public.

Judges chosen for art awards are Mrs. Everett O'Rourke, Mrs. Lynn Kishbaugh, Joe Mustol and Hugh Smith.

The ball will be for school students, with members of the faculty and representatives from the sponsoring club also present. The fifth hour art class will have charge of the decorations and costumes to be worn will be patterned from a famous painting or fantasy. Awards will be given to two boys and two girls.

Jeep Reid is to be master of ceremonies and costume judges will be Mrs. O'Rourke, Mrs. Jack Ellis, Hugh Smith and William Englehart Jr. Core classes will conduct the nominations for the king and queen from the upper and lower classes, a couple each from the 10, 11, 12, and 7, 8, 9 grades. Votes will be placed in the ballot boxes in the main office of the edifice with Irma Nauss in charge. Refreshments will be served by Wyethia Club hostesses.

LENTEN SERVICES AT LOCAL CHURCH

Continuing the Lenten services at the Community Methodist Church, Patsor A. A. Carmitchel today announced that the topic of the morning service at 11 a.m. will be "Crucial Moments of the Last Days." "Conscience of Peter" is to be the subject of the evening sermon at 7:30. Sunday school is held at 9:45 a.m. each Sunday.

Rev. Carmitchel extended an invitation to everyone to avail themselves of these special Lenten services.

DOUBLE PARTY HONORS COUPLES

Mr. and Mrs. E. W. Buehler entertained Sunday evening at a buffet supper at their Meadow Park home, the occasion being a double "pink and blue" party for Mr. and Mrs. Hugh Smith and Mr. and Mrs. James Brehler. Mrs. Emily Bergmans baked a specially decorated cake for the occasion and visiting and games were enjoyed by the above mentioned and:

Mr. and Mrs. George Bergen, Mr. and Mrs. Ronald Eberhart, Mr. and Mrs. Lynn Kishbaugh, Nancy and Elbert Bergmans, Mr. and Mrs. Joseph Mustol, Miss Thelma Finger, Janice and Easton Buehler.

DONNER SUMMIT FUND AVAILABLE

The Nevada County board of supervisors has been advised that the governmental agencies within the county still have $4,503.68 in Chapter 20 money and $16,350 in Chapter 47 funds available to them at Sacramento. Of this, the Donner Summit Public Utility District still has available all of its original allocation of $4,000 for Chapter 47 plans.

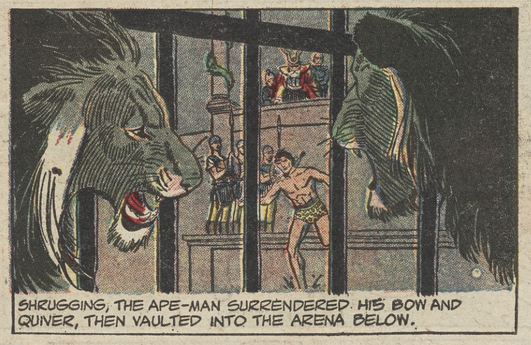
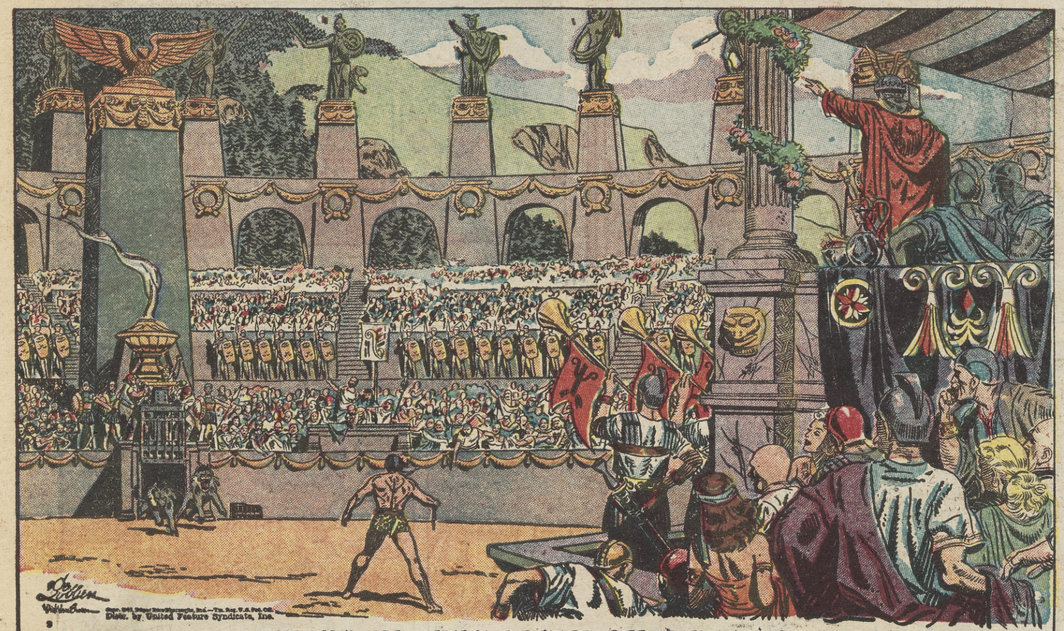
EDGAR RICE BURROUGHS' Tarzan

TARZAN AND HIS COMPANIONS EXPECTED AID FROM THE ORANDANS, BUT INSTEAD WERE RECEIVED WITH HOSTILITY. "SINCE MY SON IS YOUR SUPPOSED BENEFACTOR," TAUNTED KING ORAN, "YOU MAY FIGHT FOR YOUR FREEDOM. GUARDS, TAKE THEM TO THE ARENA!"

"IT WOULD BE MORE SPORTING IF JUST ONE OF YOU REPRESENTED THE OTHERS," MUSED ORAN--"YOU!" HE LEERED, POINTING TO TARZAN. "WITH ONLY A KNIFE!"





THERE WAS A HUSHED SILENCE. THE CROWD GREW INTENT AS THE BLARE OF TRUMPETS ANNOUNCED THE START OF THE CONTEST. THE THRONG GASPED. A SLIDING DOOR OPENED--AND TWO SNARLING LIONS CHARGED TOWARD THE APE-MAN!
